

Channel Soundings

Term 4 - 15 November 2018

FROM THE ACTING PRINCIPAL

Tomorrow we will celebrate the valuable contribution our volunteers make in our school community. Our assembly will include items of thanks by the students, followed by coffee and a scrumptious morning tea.

The official definition of volunteering is "time willingly given for the common good and without financial gain". What does this look like at Channel?

We have many parents and grandparents who willingly donate their time to contribute to the common good for Channel. We thank you for partnering with us to see our vision to provide highest quality Christ – Centred education come to fruition. Our volunteers assist and even organise a variety of activities such as community events that allow families to feel they have a place they belong to.

Many parents and grandparents also come to work with individual students who benefit from extra support in many areas of their development. Without the passion and willingness of our volunteers many things would not happen.

THANK YOU

Margaret Louw
Acting Principal

SNAKE ALERT

As we get closer to summer the local reptile population will continue to become more active – and may cross paths with humans.

Although an unintended encounter with a snake is unlikely, the outcome could be serious.

We therefore have informed staff and students to be aware and to stay vigilant.

If a snake is spotted on the property, we will contact Reptile Rescue who will come and remove it. Students will be directed to move inside as a precaution.

WORLD VISION SPONSOR CHILD

As a school we sponsor a child through World Vision. His name is Anderson Kioko Ndumi.

Every Friday morning in assembly our students have an opportunity to make a donation to help support Anderson and his family.

Please encourage your child to think about what they have and what they can help give to support Anderson in Kenya Africa.

FRIDAY'S ASSEMBLY

On Friday 9th Mrs Lynch led us in a thoughtful and informative Remembrance Day assembly. Later in the day, students had a presentation from Bush to Beach explaining the importance of water safety

Anderson Kioko Ndumi

Country - Lower Yatta, Kenya - Africa

Age: I am six years old

School: I am in Primary School in grade one.

Group: World Vision

Money given helps:

- My community receives clean water help. We know how to protect ourselves from water diseases, so we can be healthy.
- I am learning how to treat others nicely.
- My family learned how to speak up and make good decisions for children like me in the community.
- I am in a club that teaches me how to stay safe.
- Help to grow crops to give us food to eat.

Family:

- Like to dance together.
- We live near a forest.
- My house is made of sticks.

PRAYER POINTS

Thankful for the new addition to the Rowcroft family – Odette is a little sister for Emilie and Marcel.

Our sponsor child, Anderson Kioko Ndumi from Kenya.
