

# Channel Soundings

**Term 4 - 20 November 2019**

## *From the Principal*

In Revelation, we read of the magnificent moment when people from every tribe, nation and language will stand together and proclaim the glory of God. ***Salvation belongs to our God, who sits on the throne, and to the lamb.***

Revelation 7:10.

Every person is made in the image of God, no exception, and reflects the creator in some way, bringing richness to the Kingdom. We can proclaim our unity as a created, equally valued, common humanity. We celebrate the rich diversity of God's created people and cultures and the variety of insights and responses that this offers.

We also recognise that each people group falls short in serving God, creating tension when they are out of step with God's design. As teachers grapple with diversity in their classroom, culturally and socially (life style choices), they use the lens of the Gospel and ask some essential questions:

- Why are we all different?
- What do people/cultures have in common?
- What do other cultures do better than us?
- How do we, as a school, embrace diversity?
- How can there be unity in Christ when there are such vast differences in culture and people?

Principal

## *Events Coming Up*

- Bike Week - 25 to 29 Nov
- Musical Evening - Thur Nov 28
- Prep/1 to Snug Village - Wed 4 Dec

## *Assembly*

This Friday 22 November - ICAS awards at 2:15pm

Next Friday 29 November - **NO** assembly (bike week)

Friday 6 December - Volunteers Thank You and Morning Tea at **9:05am**

Friday 13 December - Christmas Assembly at **1:45pm**

## *Ride to School*

Ride to School on Monday morning with Mr Mumford, Mr Richardson and many more!

**7:30am at the Snug start of the bike track**

or

**8:00am at 32 Derwent Ave**

Bring your bike, helmet, some determination and maybe a parent!

Parents are definitely welcome!

## *Bike Week*

Next week is our annual bike week. It is one event which started years ago and is often referred to as the children's favourite week of the year. What does it involve?

Each child (K-6) brings their **bike to school on Monday morning**. It will need to be in **good working order** and please bring a **well fitted helmet**.

Throughout the day each class will go for a bike ride depending on their ability. The rides range from riding around the turning circle and along Endeavour Avenue, through to riding to Dru Point and Snug along the bike track.

During recess and lunch children are also encouraged to ride on the oval, dirt pile and basketball court.

Riding bikes is great for physical fitness, learning road rules and creating an awareness of others around you.

Extra teachers will be on duty to ensure safety for all students.

**Channel**  
CHRISTIAN SCHOOL

## Oliebollen at the Huon Show

Last Saturday Channel Christian School, once again, sold Oliebollen as a fundraiser at the Huon Show.

We have become a well sought after stall, with people lining up at 8:15am asking for our "Breakfast for Champions"!

Leah and Jeremy Verdouw, together with a team of volunteers, worked tirelessly in the week before the show and on the day.

They had fun, enjoyed being inside a warm shed and made new connections. They cooked and sold close to 4000 Oliebollen to raise a record breaking amount of \$3730.37. I also want to acknowledge the volunteers who weren't actually there on the day but helped with babysitting, as well as weighing and bagging ingredients. THANK YOU to all who helped make the Huon Show Oliebollen Stall another huge success.

Please note your bookings for 2019 do not roll over for 2020. If you require care for 2020 you will need to book your sessions ASAP via email only.
